World History course must master in order to perform well on the exam.

Aligned with national standards, these strategies and sample lessons turn learners into history detectives as they solve historical mysteries, prepare arguments for famous cases, and more.

Written by teachers, for teachers, this guide offers instructional resources for the new AP World History: Modern course (introduced in 2019). Truly a "go-to" text for classroom instruction, this book covers all the writing and analytical skills tested on the AP exam. Teacher introductions to each skill include pacing suggestions and proven teaching strategies. Student learning guides introduce the skills to the student step-by-step, providing ample opportunity for guided practice. Additional assessments are also included to increase student confidence and ensure mastery. As the most comprehensive and up-to-date skills guide for the AP World History: Modern course, this book is an invaluable resource for new and experienced teachers alike.

Written by teachers, for teachers, this guide offers instructional resources for all the AP World History exam components, including: stimulus-based multiple-choice questions, short-answer questions, document analysis, document-based essay questions, and long essay questions. Teacher introductions to each section include pacing suggestions, and tried and true teaching tips. Student learning guides introduce the skill to the student step-by-step, providing ample opportunity for guided practice. Additional assessments are also included to allow for further practice and mastery. Building off the success of the first edition, this second edition is updated

to reflect the latest changes to the exam, specifically the more open-ended essay prompts and the "complexity" component. This guide is an invaluable resource for experienced and new teachers alike.

Making learning fun and interactive is a surefire way to excite your social studies students. This book includes game-formatted activities for major historical topics. While the goal of these activities is to create excitement and to spark interest in further study, they are also standards based and include grading rubrics and ideas for assessment. Encouraging teamwork, creativity, intelligent reflection, and decision making, the games of Hands-on History Activities will help you take an active approach to teaching while inspiring your students to make their own explorations of history. This resource is aligned to the interdisciplinary themes from the Partnership for 21st Century Skills. 204pp.

Reinforce students' knowledge with these engaging lessons! Presents high-interest lessons and activities for world history classes Supplements any world history curriculum Engages students with mini-biographies of key figures Includes map activities, puzzles, and more Teacher's guide includes reproducible lesson on using maps to study world history
