Yesterday by The Beatles (Fingerstyle Guitar Lesson) Yesterday appears on The Beatles' 1965 album 'Help' and was written by Paul McCartney; a truly beautiful song that we can all relate to in one way or another. Although most of the chords are reasonably straight forward, Yesterday does have its challenges. For 'Yesterday' all six strings of the guitar are tuned down 1 whole step: E = D A = G D = C G = F B = A E = D This is essentially the opposite of what a capo does. Alternate tunings and capos are great tools and are most often used in service of finding a way to play the song that fits your vocal range.
